OBJECTIVE

I'm seeking a full time job in the mountains. I like snow. In Czech Republic we have lot of snow every year. In Prague I was always working in the office and now, on my vacation in Canada, I can do anything else. I can get new experience and improve my English.

WORK EXPERIENCE

October 2004 – June 2011

ComGate a.s., Prague, Czech Republic

- Working as PHP / SQL programmer.
- International commercial company providing payment solutions, SMS marketing, billing systems, telemarketing and logistics.
- I developed billing systems and internal applications of this company.
- It's a responsible work, because one small mistake can cause a big financial problem.
- I was in communication with the sales department about new applications, changes of our system and training on new systems.
- Working under pressure – I must repair the problem in short time.

EDUCATION

- **October 2003 – June 2011**

Czech Technical University in Prague

Completed an Engineer of Computer Science

- **July 2011 – September 2011**

International Language Academy of Canada

English Course

SKILLS

- Languages: English, Czech, Slovak, (German)
- Programming: PHP, SQL, HTML, CSS, JavaScript, (Java, C++, Delphi)
- Manually skilled
- Basic knowledge of electrical engineering
- Driving licence
- Responsibility, loyalty, hard working, learning new things, working under pressure
- Working in a team

INTERESTS & ACTIVITIES

- Bodybuilding, cycling, squash, traveling
